psychiatryonline the american journal of consequently simple!

You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.

Wanting the protests to stop, the American Psychiatric Association formed a task force, which, by a vote of 58 percent, officially deleted homosexuality as a mental illness in 1973. Psychiatry's purported abuse of patients was popularized in Kesey's 1962 novel, *One Flew Over the Cuckoo's Nest* (13), which contributed to reforms in mental health public policy.
