## Book Poverty And Development Into

This book is a treasure trove of information about global poverty. I came into the book with a host of naïve assumptions about why poverty exists and what can be done to stop it, but the authors referenced a plethora of research studies that obliterated my ill-conceived notions about poverty and provided me with a solid foundation of knowledge ...

## Poor Economics: A Radical Rethinking of the Way to Fight

...

development economics, a field that studies the causes of global poverty and how best to combat it. In just two decades, the pioneering work by this year's Laureates has turned development economics — the field that studies what causes global poverty and how best to combat it — into a blossoming, largely experimental field.
