While modern books are born digital, books old enough to be in the public domain may never have seen a computer. Google has been scanning books from public libraries and other sources for several years. That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile

Fringe (season 3) - Wikipedia

Abstract. Atmospheric aerosols influence the climate via cloud droplet nucleation and can facilitate the long-range transport of harmful pollutants. The lifetime of such aerosols can therefore determine their environmental impact. Fatty acids are found in organic aerosol emissions with oleic acid, an

China is very rich in biodiversity and also has a large number of threatened species (~22% of vertebrates and ~11% of higher plants) (24, 25). On a global scale, south-central China is one of 25 biodiversity hot spots (). At the national level, China had established a total of 2750 nature reserves by the end of 2018 and the 35 biodiversity conservation
