Breathless (1966) was the first feature directed by Jean-Luc Godard, and along with The 400 Blows (1959) by his friend François Truffaut, it skyrocketed the young filmmakers to international fame and signaled the emergence of the French New Wave. Of the two instant classics, Breathless is easily the more radical, swinging from kinetic action - a car theft, a murder - to leisurely scenes of ...

It is an inversion of the classic touristic image of the pyramid, where the focus would be the monumental structure against the open sky to emphasize its size and imposition on the horizon. Miller's image, by contrast, places the viewer looking down on the everyday lives of Egyptians, living and working in the shadow of history.

Although primarily a commercial photographer, Link’s best-known work, made in the late 1950s, is a celebration of the last days of steam railways in America. These romantic and atmospheric black & white photographs, some of which were achieved with pioneering night photography techniques, evoke an age that was fast disappearing.
