Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

Engine Lights

This oddity, a System Check Indicator, makes little or no sense, as it simply adds an exclamation point to the original Check Engine Light. It may appear in yellow/amber, as shown or in red. Seen in yellow/amber, a minor engine fault has been detected. Seen in red, a major engine fault has been detected.
