The law on green lanes is simple but messy. Your starting point is that a road marked as a byway open to all traffic on an Ordnance Survey map should be OK to ride, but life is never that simple. If you cannot read an Ordnance Survey map maybe green laning or adventure biking should not be your thing, but if you can read a map, the fact that that the OS shows a byway is half the battle.

Which green lanes can I legally ride? - Adventure Bike Rider

All the lanes that I know are legally drivable in my area are listed, but its probably worth having a good look in your area to check the accuracy of the map. This is a brilliant resource, and one I will be using when I want to plan green lane trips in other areas of the country. Here's the link you need: www.bywaymap.com

Find green lanes in your area using the online byway map

Discovering Green Lanes includes contact information, key dates in highway history and sample survey forms for recording wildlife in your local green lane. About the Author Valerie Belsey gained her love of exploring country lanes from her father, a cyclist who thought nothing of cycling from London to Combe Martin and back for the weekend a round trip of 395 miles.
