FOLLOW THE WATER FROM BROOK TO OCEAN by Arthur Dorros This book seems perfect for the weather-related events of recent years. Water is always moving or flowing, and, always, it is moving downhill. It travels until it reaches the oceans which are the lowest parts of the earth.

### 032 Follow the Water from Brook to Ocean

The brook may join a stream, which feeds into a river, which winds its way to the ocean. What a journey! You can follow the water on its long journey to the ocean and learn how water shapes the earth, how people use water, and why it's important to keep our water clean.

### Follow the Water from Brook to Ocean by Arthur Dorros ...

NET's documentary Follow the Water is a story about connections between the environment and people, and a river that has shaped the land itself. For almost two months, Forsberg and Stegen pushed themselves to the limit – biking, hiking and canoeing from the headwaters of the North Platte River in Wyoming to the mouth of the Platte where it flows into the Missouri.
