## **Introduction to German Philosophy: From Kant to Habermas ...**

Because of Kant's emphasis on the novelty of his project, Kant scholars (particularly in the Anglo-American context) have concluded that reading Kant's predecessors and contemporaries could only be wasted effort, since after all whatever they might say Kant is saying something else. This has contributed to a general neglect of the German context, in which a number of key Kantian doctrines (like the spontaneity of the understanding, or the autonomy of the will, to name only two) are pre ...
