I had the great pleasure of attending and talking at a symposium on dolls' houses recently; a fascinating event organised around Liza Antrim's dolls' house collection part of which was on display at No. One Royal Crescent, Bath (check out the exhibition's Pinterest board). The miniaturization of the domestic in the form of the dolls' house...

Controlling a small world: dolls' houses and gender roles ...

The male, sitting on the right as you enter the gate, holds down a ball, sometimes painted gold. This signifies the authority of the man over the family's worldly affairs. The female, sitting on the left, holds down a kitten. She rules the domestic life, including the raising of the children and the management of the household.

Dorchester Terrace (Thomas Pitt Mystery, Book 27 ...

Adrienne Munich, claims that "[t]o imagine unproblematic motherhood, one needs never to have borne children" (192). In the Victorian period, for a princess to have a womanly influence meant that she had to deny her body and its natural functions. In fact she became disembodied once she was idealized as the Victorian Angel in the House.
