1. The English Vocabulary Profile. The decision to move away from the original working title of ‘Wordlists’ reflects how this project has grown, not just in terms of its coverage of vocabulary, to include many more phrases, phrasal verbs and idioms rather than just words, but also the way in which the current online resource has been developed to provide a fully interactive database ...

Completing the English Vocabulary Profile - Cambridge Core

This chapter addresses three topics within the committee’s charge: current standards of care for speech and language disorders in children; which of the disorders are amenable to treatment and the typical time course required for this treatment; and the persistence of these disorders in children. The discussion is limited to those childhood speech and language disorders that are most common in ...

Treatment and Persistence of Speech and Language Disorders in Children

Naming and etymology. The word turtle is derived from the French tortue or tortre (‘turtle, tortoise’). It is a common name and may be used without knowledge of taxonomic distinctions. In North America, it may denote the order as a whole. In Britain, the name is used for sea turtles as opposed to freshwater terrapins and heavy-footed, land-dwelling tortoises.
