From searching the web, I found that the ecm's used by
Mercuriser are produced by New Eagle. In their product range
they offer the ECM-555-48 (ECM48) which is called ECM555 and
the ECM-555-80 (PCM80) which is called PCM555. The pinouts of
both units are exactly the same as described in the mercuriser
service manuals.
