Profitable Farms and Woodlands - Distance

The Family Forest Research Center, a
partnership of the Forest Service, says
that whether you have “just trees” that
shelter native plants and animals, a bit
of “woods” behind your house where the
kids play and you cut firewood, or a
“tree farm” that earns your family
income, you are a forest owner.

Profitable Farms And Woodlands A Practical Guide In ...

" Profitable Farms and Woodlands will help landowners make good use of their land in terms of making profits but also as land stewards," Merrigan said. "Our emphasis on agroforestry helps focus on job creation, increasing rural prosperity, support local and regional food systems, and helps to guide stewardship of working farms and forests."
