Public Opinion And The Individual

public opinion, an aggregate of the individual views, attitudes, and beliefs about a particular topic, expressed by a significant proportion of a community. Some scholars treat the aggregate as a synthesis of the views of all or a certain segment of society; others regard it as a collection of many differing or opposing views. Writing in 1918, the American sociologist Charles Horton Cooley ...

public opinion | Definition, Characteristics, Examples ...

Public Opinion is a book by Walter Lippmann published in 1922. It is a critical assessment of functional democratic government, especially of the irrational and often self-serving social perceptions that influence individual behavior and prevent optimal societal cohesion. The detailed descriptions of the cognitive limitations people face in comprehending their sociopolitical and cultural ...
