Semi Presidentialism In Europe

Comparative Politics

Abstract. This chapter sets Finland, Lithuania, and Romania in a comparative context of semi-presidentialism in

Where To Download Semi Presidentialism In

Europe. It justifies the selection of cases by including them in a broader set of semi-presidential regimes and uses this comparison to provide a range of basic and institutional data for setting the stage for the subsequent chapters on executive coordination.

This is the first academic study of the impact of semi-presidentialism in emerging democracies outside of Europe. Semi-presidentialism is where there is both a directly-elected fixed-term president and a prime minister who is responsible to the legislature. For the most part, semi-presidentialism is seen as being a risky choice
