The best way to become interested in your studies is to relate the subjects you dislike to things you care about. Think of classes as stepping stones to get to something you'll enjoy more, like college, or a more interesting unit. Motivate yourself to study by relating the subjects to your daily life.

How to Create Interest in Studies (with Pictures) - wikiHow

Tip: If the collection area doesn't slope naturally towards one corner, work to lower it manually when you clear it. There only needs to be a few inches of slope to collect the water in one corner. ... Place a rain barrel or another storage unit underneath the chain to collect the water. 3.
