Stories Matter: Why Stories Are Important to Our Lives and ...

"Stories Matter assembles a stellar cast of literary theorists and bioethicists to make the most systematic case yet for the importance of literary studies to humane, ethical medical practice. Bioethicists, medical humanists, and reflective clinical practitioners will find this a valuable addition to the rapidly growing literature on narrative ethics."

Stories Matter: The Role of Narrative in Medical Ethics ...

This volume is a comprehensive collection of critical essays on *The Taming of the Shrew*, and includes extensive discussions of the play's various printed versions and its theatrical productions. Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play. The issues discussed include gender, authority, female autonomy and unruliness
