The Fabric Of Faithfulness

Dr. Garber's approach is not abstract or purely empirical research driven either, as the Fabric of Faithfulness is enriched from the well of his personal experience. This work is partly a product of him wrestling with the same issues about how to reconcile belief with behavior and purpose, a journey that involved temporarily dropping out of college.

Faith Fabrics - Heavenly Fabric Shop

Fabric of Faithfulness is a book which takes young people—specifically people in their university years (what developmentalist Sharon Parks calls “the critical years”) and their culture seriously. In fact, it is a book which takes everything seriously, including the quest for meaning in Woody Allen movies. (Indeed, at least one critical reader
