The tipping point is that magic moment when an idea, trend, or social behavior crosses a threshold, tips, and spreads like wildfire. Just as a single sick person can start an epidemic of the flu, so too can a small but precisely targeted push cause a fashion trend, the popularity of a new product, or a drop in the crime rate.

### The Tipping Point: How Little Things Can Make a Big ...

The crux of the book is that the "stickiness factor" of epidemics (whatever the nature) begins with a tipping point. This tipping point arises because of three distinct sets of individuals: mavens, connectors and salespeople. He also examines the well-known S-curve which begins with innovators, then early adopters, followed by the earl
