That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers.

Trading Price Action Trading Ranges

Now, in this second book, Trading Price Action TRADING RANGES, he provides important insights on trading ranges, breakouts, order management, and the mathematics of trading. Page by page, Brooks skillfully addresses how to spot and profit from trading ranges—which most markets are in, most of the time—using the technical analysis of price action.

Amazon.com: Trading Price Action Trading Ranges: Technical ...

Tight trading ranges. We shall begin with the so called tight trading ranges. These represent any sideways price movement, comprised of at least two and more bars, showing much overlap between each other. Buying and selling activity are balanced, while market players await the eventual breakout from the range and price development after it.

Trading Price Action Trading Ranges by Brooks, Al (ebook)

In a range, the price action is often frustrating. Trend following traders have no patience and, instead of applying range trading strategies, they keep adding to a direction on any market pullback. Naturally, this leads to overtrading, and the trading account becomes vulnerable to small changes in prices.
