Unveiling Fashion Business Culture And

'Unveiling Fashion is by far the best book on sociology of fashion I have ever read. Frédéric Godart makes a major contribution in the field of fashion studies by providing a unique analytical framework to theorize fashion with six principles of fashion taken from different traditions of social sciences and philosophy, and each principle is elaborated and explained with abundant empirical data.

The Big Issues Facing Fashion in 2019 - Forbes

In 1995 she became the fashion editor of the Washington Post where she covered the news, trends and business of the international fashion industry. She also wrote a weekly culture column. In 2009, she began covering Michelle Obama and the cultural and social shifts stirred by the first African American family in the White House.
